Roll

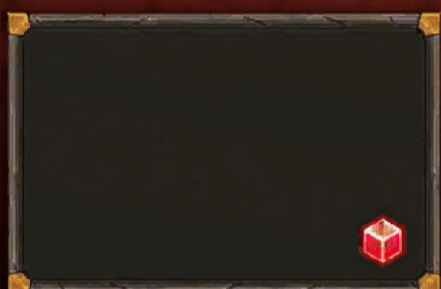

# Bugbears

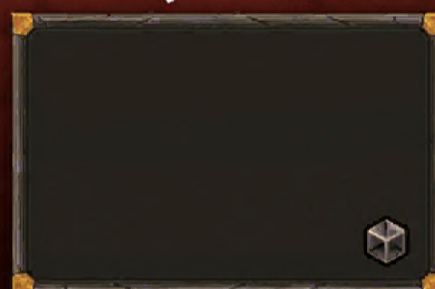

## Talclaw Assassins

*Proudly delivered the heads of Elvish nobility to the Demon General Murbik. They now conspire to claim the head of the Warden of Kulbak Prison.*

### Power

### Suspicion

Goons

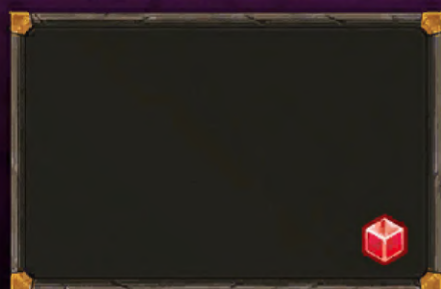

# Gnolls

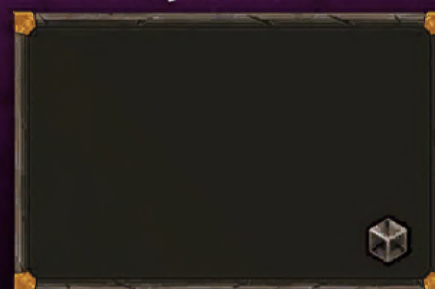

## Seige Breakers

*This elite unit broke into the toughest Dwarven strongholds during the war. Now they improvise gear to breach the walls of Kulbak Prison.*

# Goblins

--	--	--	--	--

## Fighting 87th

*Surviving members of the 87th battalion of Goblin soldiers. They amuse themselves by pitting factions against each other, building tensions to spark a riot.*

### Power

### Suspicion

Goons

# Insectoids

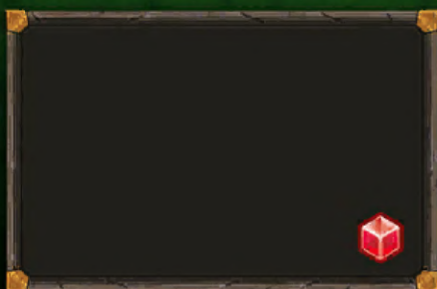

--	--	--	--	--

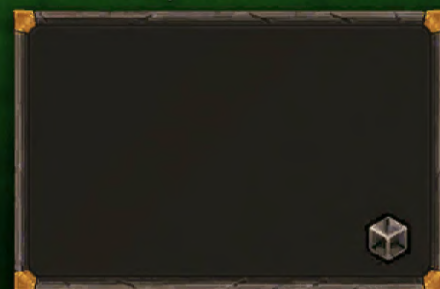

## Hagron's Hardbacks

*Their motto during the war: "The best soldiers are born in their armor." Their motto now: "Dig silently. Kill anyone who learns of the tunnel."*

### Power

Items

Goons

# Kobolds

## Blackwing Raiders

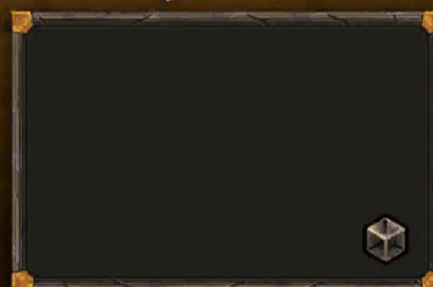

*Served under Grindel the Black, torching Orc and Human villages. Here they gather resources to summon another Great Dragon and burn Kulbak Prison to the ground.*
